You can remove an animated gallery from your live eBay listings by following these steps.

Start the application and enter the listing ID of your eBay item in the 'Enter Listing ID' input box, then click the 'APPLY', if the the listing you entered already contains a gallery you will get an option to remove that gallery, as shown below.

4. Apply

Enter Listing ID:

Listing already contains a Froo! Cross Sell gallery.

Would you like to remove the galley from this listing? **YES**

Click the 'YES' button and the gallery will be removed from your live eBay listing.

If you wish to remove all galleries from all you listings, unsubscribing from the app will stop the gallery displaying in all of your listings.
