

Can I revise or add fitment data to all of my listings at once?

Saved From:

<https://apps.froo.com/kb/article/can-i-revise-or-add-fitment-data-to-all-of-my-listings-at-once-38.html>

The maximum number of listings that can be selected to be revised is 100.

Once that 'batch' of revisions is complete you can select a further 100 and so on, until all of the listings you want to revise have been amended.
